From January 1st 2002 for all employees of and visitors to voestalpine Polynorm Van Niftrik a smoking and eating policy applies.

Below you will find a broad outline of the contents of this policy. We expect that you, as a visitor, will adhere to the rules of this policy.

Smoking Policy

Smoking is not permitted anywhere on voestalpine Polynorm Van Niftrik's business premises except for part of the company canteen and the room next to the production canteen.

Eating Policy

At the production, central assembly, storage buildings, technical service and tool room it is not permitted to consume foodstuffs except for the areas we have created for this purpose located around coffee machines and in the company canteen.

We thank you for your cooperation
