Code of Conduct for Visitors

- Visitors are allowed to move on the company premises only attended by a guide.
- The entrance to production halls without the presence of a member of Böhler PROFIL is prohibited.
- Visitors are required to wear a reflective vest, safety glasses and ear protection (only defined areas) in the production areas.
- During company tours, you will always be supervised by a guide. It is not allowed to leave the guided group.
- On entering of working areas apart of the marked zones, it is obligatory to wear safety shoes and long pants.
- Visitors must not obstruct material transports. If a vehicle approaches, they have to stop and let it pass by without hindrance.
- In general, it is forbidden to take photos all over the company area.
- Secured working areas (light barriers, pressure mats etc.) must not be entered.
- It is not allowed to touch any production facilities or products.
- In marked noise-areas it is compulsory to wear ear protection.
- Smoking is only allowed in areas of ash trays outside of the buildings.
- The consumption of alcohol and drugs in the plant is strictly forbidden.
- Our employee will hand over an idea-card to you and we would be pleased if you would support us to advance our continuous improvement with your proposals.

With my signature I accept these rules and commit to observe them!
