

FOOD PROCESSING INDUSTRY

voestalpine Film Cutting Knives designed for pure performance

YOUR ADDED VALUE

voestalpine Film Cutting Knives are made of our premium materials by BÖHLER/Uddeholm using state-of-the-art heat treatment and machining. This ready-to-use solution offers improved processing properties and increased machine utilization rate, leading to a higher productivity for the food producer. We deliver the full package, including horizontal and circular knives, for most types of packaging equipment.

INDUSTRIAL PERFORMANCE COMPARISON

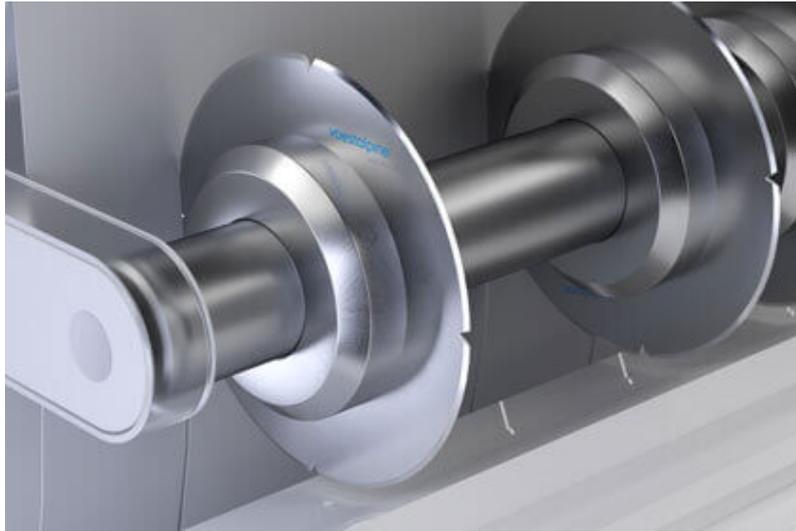

- > **Improved productivity**
- > **Longer lifetime compared to the industrial standard**
- > **Increased machine utilization and efficiency**
- > **Significant reduced total costs of ownership**
