

FOOD-PROCESSING

voestalpine Bowl Cutter Knives designed for pure performance

YOUR ADDED VALUE

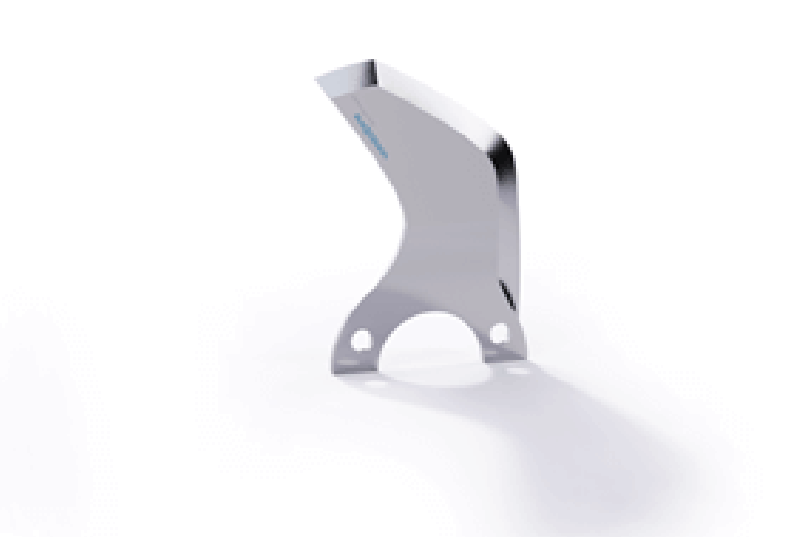

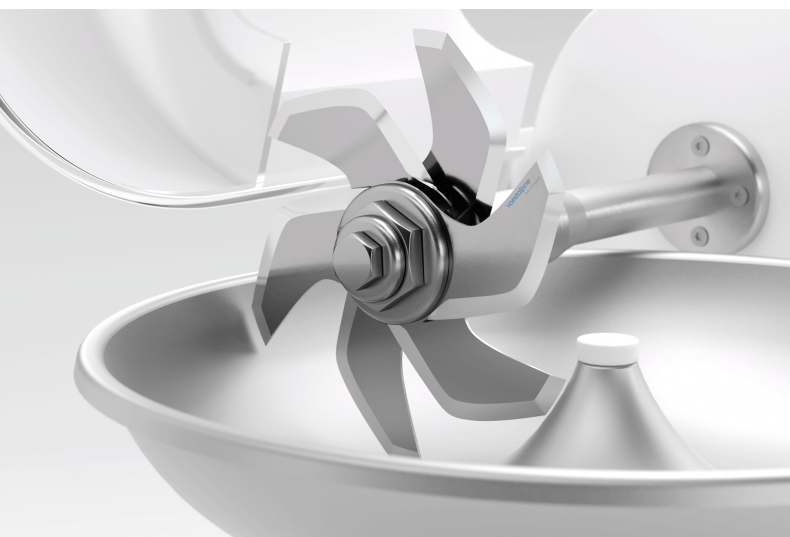

At voestalpine we combine premium material know-how with tailored application requirements. This results in premium high-performance solutions, which are ready to use for industrial food processing applications. Our Bowl Cutter Knives offer an outstanding balance of high wear resistance, ductility (safety against cracks), and corrosion resistance, allowing for a significantly extended regrinding interval for higher productivity and a lower total cost of ownership. voestalpine Bowl Cutter Knives are available for all brands of industrial bowl cutters.

INDUSTRIAL PERFORMANCE COMPARISON

- > **Longer lifetime compared to the industrial standard**
- > **Higher machine availability and efficiency**
- > **Significant reduced total costs of ownership**
- > **Less maintenance effort**
- > **Improved regrindability**

Technical Data

Material	premium materials by BÖHLER/Uddeholm
Hardness Level	53 – 61 HRC
PVD Coating (optional)	voestalpine special coatings
