HIGH-STRENGTH AND WEAR-RESISTANT SHEETS, EX STOCK

Under the brand names durostat® and alform®, voestalpine offers one of the most extensive ranges of wear-resistant heavy plates. These cut plates are available from the cut shape facility in sizes up to 12 x 3 meters in a wide variety of thicknesses.

**alform**
Superior solutions in high-strength and ultra-high-strength TM steel
- Weight and volume reduction
- Best cuttability
- Very good cold formability
- Outstanding weldability
- Excellent toughness
- Perfect flatness
- Clean surface

www.alform.at

**durostat**
Superior solutions made of wear-resistant steel
- Longer service life
- Weight savings
- High degree of hardness
- Very good cold formability
- Good weldability
- Excellent flatness
- Clean surface
