Dear Ms., Zisser,

We are pleased to confirm that the 10th repeat audit conducted at your company, from 16th March to 19th March 2026, was successfully completed and positively evaluated by the lead auditor and the audit team.

Following this assessment, the lead auditor has recommended the issuance of the certificate and has initiated the certification process.

We would like to thank you and your team for the excellent cooperation throughout the audit.

Sincerely,

TÜV SÜD
