

DRYTEC
SAFE, EFFICIENT, CLEAN

DryTec®

The lubricant-free solution
for Premium connections,
currently available for:

VAGT®
VAsuperior®

Makes your work more efficient,
safe and environmentally friendly.

ADVANTAGES

- » Elimination of conventional lubricants
- » Cleanliness at the rig and in the well
- » Minimizes failure potential caused by too much or insufficient lubricant
- » Saves installation time by elimination of work steps, easier handling
- » Improved make-up, even for multiple make-up
- » Make-up temperatures between +60°C and -60°C
- » Decreasing the danger of contamination for the connection at the field/rig site
- » Increasing safety at the rig
- » Corrosion protection during transport and storage
- » Reduced impact on the environment
