VADEMSAŞ

INTEGRATED MANAGEMENT SYSTEM POLICY

QUALITY, ENVIRONMENT, OCCUPATIONAL HEALTH AND SAFETY

VADEMSAŞ, designer and manufacturer of turnouts, intents to consolidate its position on the Turkish turnouts market and to remain a reliable partner for the companies within the **voest**alpine **VAE** GmbH group.

Achieving the organization objectives is done by the continuous improvement of the Integrated Management System Quality, Environment, Occupational Health and Safety in accordance with the requirements of the reference standards and with the statutory and regulatory requirements applicable to the organization.

The Board of Directors together with all employees directs the organization resources and their efforts towards fulfilling the strategic objectives:

- Meeting the customer and stakeholders requests.
- Maintaining the market share for the complete product range.
- Continuous development of the product range.
- Continuous growth of the efficiency of the manufacturing processes.
- Development and protection of the knowledge that underlies organization's activities.
- Prevention and reduction of the pollution generated by the organization's activities.
- Prevention of incidents, accidents and occupational diseases.
- Improvement of the management system and disposal of waste.
- Reducing health and safety risk on the employees.
- Adherence to legal regulations, national and international standards
- Optimizing the usage of natural resources.
- Contribution of the employees opinions (views)
