

At All levels

Female empowerment is an explicit part of the voestalpine Group Strategy 2030+ and this is reflected in the management board and supervisory Board's target of increasing the proportion of women in management from the current 14% to 18% by 2030.

INTERNATIONAL WOMEN'S DAY

“Empower woman, empower the human community. The base on which the world stands is a woman.” – Malala Yousafzai

8th March, 2024
